

This kind AQHA stallion is a paragon of athleticism and beauty, and his amiable nature has made him incredibly fun to show in the reining circuit. TK Texican is a descendant of world champion blood. He is sired by the AQHA World Champion, Texas Kicker (by Colonel Freckles – a NCHA Futurity Champion). Texas Kicker is owned by Pieper Ranch located in Marietta, Oklahoma, and has sired multiple NRHA Futurity and AQHA World Champions.

TK Texican is proving himself to be as wonderfully minded as he is athletically talented. At the 2004 Okanagan Summer Slide, he was crowned champion of the NRHA Ltd. Open. In the NRHA Open at the same event, "TK" tied for first position and with a mark of 73 in a fierce ride-off, was declared reserve champion. In 2005, he returned to the same show, same class, to claim the Open Championship. In addition to his numerous accomplishments in both the reining and now, working cow horse arena, TK was a qualifier for the 2004 and 2006 NRHA North American Affiliate Championships in Oklahoma.

### Accomplishments
